Subject: NOC to study evening MBA at CUCBA.

Dear Sir,

I work for your company as M. Irfanul Kalam Chowdhury (Employee ID: 2475). At Chittagong University Center for Business Administration (CUCBA), I'll begin my Master of Business Administration (MBA). The MBA program duration is 2 years and the session will start in January 2023. My higher education has given me more knowledge and confidence, and I think it will enable me to work harder at my job and contribute to the expansion of my company. My office schedule won't be interrupted while I'm doing my MBA. since my classes will start on Friday and at 6 pm on the other weekly two days.

I ask that you grant me authorization and a No Objection Certificate (NOC) so that I can begin my MBA. It would be wonderful if AZNEO Limited offered me financial assistance.

Regards
M. Irfanul Kalam Chowdhury
